Healthwatch Leicester and Leicestershire is the independent consumer champion for health and social care services in Leicester and Leicestershire. Our job is to champion the interests of those using health and social care services across Leicester and Leicestershire and give local people an opportunity to speak out about their concerns.

We will listen to your views, concerns and suggestions about services and use that information to help shape and improve them. We can provide information to help you make choices about the services you use. We hold meetings and events, gather views through surveys and carry out Enter & View visits. We share your issues of concern, your views and experiences to those who run, plan and regulate local health and social care services.

## Get involved and help us to make a difference.

- You can become a volunteer to help us with carrying our Healthwatch duties.
- You can take part in surveys and consultations.
- Sign up to our newsletter and receive regular updates on our work.
- Participate in our engagement meetings and online events

Contact us for information, signposting, volunteering and to let us know your views and experiences of health and social care services in Leicester and Leicestershire. Our Community Outreach Team would love to hear from you.
